Prem Chand Brothers

<https://www.premchandbrothers.com/>

We are leading manufacturer and trader of Duster Cloth, Ladies Stoles, Ladies Scarves, etc. We also undertake bulk supply of the above products in various specifications.

About Us

Prem Chand Brothers is a partnership concern, established in **1961**. We are engaged in the manufacture and export of a wide range of **Duster Cloth, Ladies Stoles, Ladies Scarves, etc**, as well as bed coverings, variety of linens, table cloth, and aprons. Our products are known for their softness, absorbent qualities, shrink resistance and friendliness to the skin.

Our ranges of product are unique in their designs and colors. They have alluring designs combined with vibrant colors. These are tailor made to suit the needs of our customer and come in various beautiful, simple or trendy patterns to suit the likes of the clients. We try our best to give an elegant and sophisticated look to our products thus helping us to market our products all over the globe.

Our production unit is backed by an excellent team of professionals who are very initiative and help us in all possible ways to meet the bulk orders of the clients.

As far as quality is concerned we believe in giving the best to our valued customers. Our products are manufactured using the best quality products so that they are excellent in quality and are widely in demand. The cloth texture used for the making of the products are known for their soft texture and durability.
